## EIYSA SPECIFIC RULES

**Players and team officials are not to arrive earlier than 10 minutes before their game time.**

The Victoria Soccer Club is participating in the Restrictions Exemption Program (REP).

As per [ASA Best Practices Guidelines](#), there are no spectators allowed on the fields.

We will be live streaming the 9v9 games in the club house and the 7v7 games in the soccer centre lounge.

Admissions and contact tracing, if required by AHS, will be in effect. All children must remain seated with their parents at all times. Seating will be at tables, maximum six (6) per table. Tables and chairs may **not** be moved.

Entry to the soccer centre is via the main doors by the 7v7 centre; exit is via the doors by the 9v9 centre. Please follow the directional arrows throughout the building.

Entry to the club house is via the main doors and exit is via the handicap entrance on the north side.

Washrooms will not be available in the club house; however, they are available in the soccer centre.

**Masks are mandatory.**

**Admission is \$3 per person (children 11 and under and seniors 65 and over are exempt). Exact change is preferred; debit is available.**

The exit staging areas in the 9v9 hallway are for putting outside shoes and coats on; not for post-game pep-talks from the coaches. You will be allowed five (5) minutes to clear the area so that we can sanitize the benches.

Coaches and team officials may purchase game video at \$25 per game. Pre-purchasing is required. Videos will be available for pickup at the administration office within 48 hours.

Failure to follow these rules will result in ejection from the facility and a possible ban on attendance at future games.
